Enjoy Dinner to Support the Falls Church-McLean Children's Center with HBC Realty Group's Community Charity Champions Tuesday, March 11, 2014 5-8pm at Pulcinella

Falls Church-McLean Children's Center provides an affordable, full-time, year-round, early-childhood education program for young children, particularly those from low-income, working families. The high-quality program, which includes speech and occupational therapy and behavioral counseling, successfully guides children to develop the skills they need to be ready to learn when they start kindergarten to avoid a learning gap that leads to failure in school. The Children's Center relies on the support of its founding faith organizations, businesses, private foundations and generous individuals through direct gifts and events like this to keep its program accessible to the children and families who need it most.
